Goodfoot **QUEST**: accreditation & resource library

Accredited
Learning

Our e-learning is Accredited by the **Institute of Leadership and Management**

Resource
Library

ACCREDITATION

This confirms our programme has been **independently verified** and meets the evidence-based standards of their 5 Dimensions of Leadership: **Authenticity, Vision, Achievement, Ownership and Collaboration**. As well as highlighting our commitment to professionalising the role of the manager/leader and investing in enhanced leadership capability.

INDEPENDENTLY VERIFIED

Certification by the **Institute of Leadership & Management** has **international recognition** and is for each person to take with them throughout their career.

As such it demonstrates a great commitment from the employing organisation to their staff.

INTERNATIONAL RECOGNITION

Each learner has access to **Studying Membership**.

This means learners will have access to a unique, curated library of online leadership development resources covering all aspects of leadership and management.
